

Consultation on Proposed Admissions Arrangements for all Community and Voluntary Controlled Schools for Academic Year 2024/25

Dear Consultee,

In accordance with the School Admission Regulations and the School Admissions Code, the City of Wolverhampton Council is consulting on its proposed admission arrangements for 2024-25 for all community and voluntary controlled schools in the local authority's area.

This consultation relates to the overall admissions arrangements with one proposed change to add an oversubscription criterion for children whose parent/carer is a member of staff employed at the school.

Children whose parent/carer is a member of staff employed at the school

This applies where the parent/carer has been employed by the school for two or more years at the time at which the application of admission to the school is made, and/or where the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skills shortage. This criterion applies to all permanent staff members, and excludes staff employed on a casual/temporary contract.

The rationale for including children of staff at the school as a criterion is that it can assist with staff recruitment for vacant posts for which there is a demonstrable skill shortage and aid retention of staff. Available data suggests that the number of children that would be allocated under this criterion is low and should not displace children from being able to attend a local school.

Please see attached the proposed arrangements which also can be found [here](#) relating to community and voluntary controlled schools and including the coordinated admissions scheme.

The consultation runs from 31 October 2022 until 16 December 2022 at which point the consultation will end. Comments on the admission arrangements can be submitted [here](#) or sent to Kelly Wheatley by email at school.organisation@wolverhampton.gov.uk or by post to Kelly Wheatley, School Admissions and Appeals Manager, City of Wolverhampton Council, Civic Centre, St. Peter's Square, Wolverhampton WV1 1RR.

Please note comments by email or post should arrive no later than **16 December 2022**.

A full list of the schools that the consultation relates to are shown overleaf, together with their Published Admission Number.
