

**THE WOLVERHAMPTON CITY COUNCIL (BILSTON) (HIGH STREET) 20MPH
SPEED LIMIT) ORDER 2025**

Statement of Reason:

A 20mph speed limit traffic order is proposed on High Street (Bilston) and its surrounding roads/streets which is dense with residential estates and a high volume of pedestrians, to help reduce the speed of vehicles in these roads, thus improving road safety for all road users and likely reduce the number of serious road traffic collisions.
