

Dear Whom it may concern

17th October 2025

Dear Whom it may concern,

Rocket Pool Drive Proposed Bus Stop Clearway

The City of Wolverhampton Council is undertaking consultation regarding proposed bus stop clearways in parts of Rocket Pool Drive. These proposals are shown on the attached plan (T4 4647).

These clearways will prohibit stopping or parking at designated bus stops during specified hours, ensuring that buses can access stops safely and efficiently. This measure is intended to improve passenger safety, reduce delays, and support the reliability of local bus services.

If you have any comments on the proposals (including if you are in favour), please respond by email to TROConsultation@wolverhampton.gov.uk and include your name and full address by 7th November 2025 which is the end of the formal consultation.

Yours faithfully,

Jennie Timmins
