

**THE WOLVERHAMPTON CITY COUNCIL (CITY CENTRE - METRO  
EXTENSION) (CYCLE TRACKS AND SHARED USE FOOTWAYS) ORDER  
2023**

**Statement of Reasons**

The Metro extension project proposes to improve the local environment and connectivity in Wolverhampton City Centre. As part of any major scheme, the provision for cyclists is always considered of high importance, to encourage more sustainable methods of travel. The scheme includes for various cycle facilities in close proximity of the extension, to promote cycling by improving the connectivity of the City's existing cycle network and to encourage safe cycling and walking.
