

**THE WOLVERHAMPTON CITY COUNCIL (CITY CENTRE – PUBLIC REALM
PHASE 3) (CYCLE TRACKS AND SHARED USE FOOTWAYS) ORDER
2021**

Statement of Reasons

The Public Realm Phase 3 project proposes to improve the local environment and connectivity in Wolverhampton City Centre. As part of any major scheme, the provision for cyclists is always considered of high importance to encourage a more sustainable method of travel. The scheme includes for various cycle lane facilities to promote cycling by improving the connectivity of the City's cycle network and to encourage safe cycling.
