

**WOLVERHAMPTON CITY COUNCIL (GREEN LANES, BILSTON)**  
**PROPOSED TRAFFIC CALMING MEASURES**

**Statement of Reason:**

The traffic calming is being proposed in order to help reduce the speed of all types of vehicles travelling along Green Lanes, Bilston and to comply with a planning constraint for a new development taking place at this location. Existing speed cushions on Green Lanes will be removed and relocated to a new position so as not to obstruct vehicle access to a property currently in development.
